

SUMMERCAMP IN ITALY

We are looking for two volunteers for a project in Mantua that deals children and their time leisure

Duration: 3 months

Activity's date: from the first week of June untill the first week of September

Place: Cooperative Alce Nero, Mantua, Italy

Availability: 2 volunteers

Project's description

The objectives of the activity are providing an intercultural experience in a non-formal context, promoting social integration and active participation, enhancing future occupability and giving the chance to express solidarity to other people and support to local communities. We will use a pro-active methodology stimulating curiosity and a dynamic approach.

On arrival the volunteers will attend the welcoming sessions at Alce Nero. We foresee meetings in the first 2 weeks, so to gradually introduce them to the new situation and place, facilitate their integration in the new context, and leave him time to get accustomed to the new life-style.

The volunteers will be involved in the organisation and creation of workshops for children in collaboration with the staff, to help children with their homework and organisation of the time leisure. This kind of project needs team work, collaboration, cooperation and personal contribute of the volunteers to manage to the best the situations with children.

Activities

The volunteers will support activities linked to preventing distress and promoting well-being (i.e. workshops art, sport, culture, health, intercultural workshop), and foster games, excursions, specific courses, etc.. They can also support the educators with children and youngsters with handicap or fewer opportunities, taking after them through specific educational actions.

The activities are addressed to children from 6 to 12 years old.

Accomodation

The volunteers will be hosted in a flat provided by cooperative Alce Nero and settled in Mantova. The flat has 2 bedrooms, a kitchen and living room and a bathroom with two showers. The flat will be shared with other volunteers. The volunteers can go to work on foot/by bus (cost on charge of Alce Nero) or bike, while travel costs for free time will be on charge of the volunteer
